Pat,

IMS access has been requested for the individuals listed below. Each should receive an email from Certrec later this morning with access info. Each will need to log into IMS and then they can be added for access to the ER audit file.

We will add access to the specific ER audit for each as they log in.

Let us know if you have any questions.

Hi, Ray,

Hope all is going well.

The following NRC and contractor environmental staff have notified me that they do not have access to the electronic reading room and/or IMS. I regret that I was not able to get this to you last week but have been out due to a death in the family.

Please let us know how we can further assist.

Thank you,
