PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- We did not locate any agency records responsive to your request. *Note:* Agencies may treat three discrete categories of law enforcement and national security records as not subject to the FOIA ("exclusions"), 5 U.S.C. 552(c). This is a standard notification given to all requesters: it should not be taken to mean that any excluded records do, or do not, exist.
- We have withheld certain information pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
- Because this is an interim response to your request, you may not appeal at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination.

Please be sure to include on your letter or email that it is a "FOIA Appeal." You have the right to seek dispute resolution services from the NRC's Public Liaison, or the Office of Government Information Services (OGIS). Contact information for OGIS is available at <https://ogis.archives.gov/about-ogis/contact-information.htm>

PART I.C COMMENTS (Use attached Comments continuation page if required)

It is unclear whether you are requesting incident reports arising from visitors to NRC buildings, or visitors to nuclear power plants or other facilities housing nuclear materials who are separated from their escorts, or both. We note that in a prior request, FOIA-2017-0534, you asked for these same reports from 2009 through 05/19/2017 (the date the request was received in this office). Having failed to timely clarify the scope of that request, it was administratively closed. Although most of the program offices that we asked to provide a fee estimate stated that they do not have responsive records, those offices that expected to have records estimated that their search for the 18-year period would exceed the two-hour threshold [continued on next page]
