Dear Mr. Casto and Mr. Sinsel:

This is in reference to your letter dated November 3, 2017, requesting approval for the indirect transfer of control for your Nuclear Regulatory Commission License No. 47-18080-01 to Monongalia Health System, Inc. In order to continue our review of your request, we need the following additional information:

1. Please confirm if the name on the license should remain Stonewall Jackson Memorial Hospital. Per the amended and restated articles of incorporation, the corporation name is Stonewall Jackson Memorial Hospital Company. For example, the license name could be listed as Stonewall Jackson Memorial Hospital Company d/b/a Stonewall Jackson Memorial Hospital. It was also noted on Stonewall Jackson Memorial Hospital's website that the hospital is rebranding, and will be named Mon Health Stonewall Jackson Memorial Hospital. Should this rebranding be reflected on the license?
2. Please provide a complete, clear description of the transaction. The required description includes, but is not limited to, any transfer of stocks or assets, or mergers.

We will continue our review upon receipt of the requested information. You may respond to my attention in writing by letter, referencing mail control number 601596. Please submit a reply within 30 days. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5006.

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Med, Ind, & Academic Uses**; then **Licensee Toolkits**, see our **toolkit index page**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 8:00 a.m. to 5:30 p.m. EST, Monday through Friday (except Federal holidays).

Thank you in advance for your help!

Sincerely,

Jan
