SUBJECT: CLOSURE OF INVESTIGATION (OI 4-2016-026)

Dear Mr. Peters:

This refers to an investigation conducted by the U.S. Nuclear Regulatory Commission's (NRC's) Office of Investigations regarding activities at the Comanche Peak Nuclear Power Plant. The Office of Investigations initiated the investigation to determine whether a former Securitas fire watch was subjected to discrimination for raising a safety concern.

Based on the evidence developed during the investigation, the allegation that a former Securitas fire watch was subjected to discrimination for raising a safety concern was not substantiated. The NRC plans no further action related to the discrimination aspect of this allegation and considers this investigation closed.

You should note that final NRC documents may be made available to the public under the Freedom of Information Act subject to redaction of information pursuant to the Freedom of Information Act. Requests under the Freedom of Information Act should be made in accordance with 10 CFR 9.23, Requests for Records. Information is accessible from the NRC's website at <http://www.nrc.gov/reading-rm/foia/foia-request.html#how>.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC website at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in blue ink that reads "G. Michael Vasquez".
