Mr. Wassenaar;

This letter is in regards to your letter dated November 16, 2017 in which you notify the NRC of corporate and rebranding changes. In this letter you state that, on November 7, 2017, Sterigenics-Nordion Topco, LLC – the direct parent of Sterigenics-Nordion Holdings, LLC – was converted from a Delaware limited liability company to a Delaware corporation.

1. Describe any changes in the organization due to the change from a limited liability company to a corporation (i.e. membership of the board of directors).
2. Confirm that there are no changes in the reporting structure between the Radiation Safety Officer and Hospital management regarding radiation safety and activities authorized by your license.

We will continue our review upon receipt of the above requested information. Please reply to my attention within 30 days. Please feel free to contact me by telephone or email should you have any questions.\

Regards,
