

August 18, 1994

Mr. Paul Gunter, Director
Reactor Watchdog Project
Nuclear Information and Resource Service
1424 16th Street NW, Suite 601
Washington, DC 20036

Dear Mr. Gunter:

On August 3, 1994, you informed us of your objection to the Florida Power and Light (FPL) "Request for Exemption - Special Use of Thermo-Lag Fire Barriers in Outdoor Fire Area" as it pertains to certain requirements of 10 CFR 50 Appendix R for Turkey Point Units 3 and 4. My staff is currently reviewing FPL's exemption request and has not made a determination on the acceptability of the request. We will consider your concerns during our review process and inform you of the results.

Please contact Mr. Steven West, Chief, Special Projects Section, Office of Nuclear Reactor Regulation, at (301) 504-1220 or Mr. Richard Croteau, Turkey Point Project Manager, Office of Nuclear Reactor Regulation at (301) 504-1481, if you have any questions.

Sincerely,

(Original Signed By)

William T. Russell, Director
Office of Nuclear Reactor Regulation
