Gentlemen:

Subject: Report Nos. 50-250/80-37, 50-251/80-35 and 1500039/80-23

This refers to our letter of March 2, 1981 which transmitted a Notice of Violation regarding failure to comply with packaging requirements of 49 CFR 173 which was categorized as a Severity III violation in accordance with the Interim Enforcement Policy (45 FR 66754). It also refers to your responses of March 27 and July 13, 1981 to that Notice.

After careful evaluation of your responses and additional information which you supplied from the U.S. Department of Transportation, we have concluded that a violation of 49 CFR 173 did not occur. Therefore, the citation is hereby withdrawn and our records will be corrected accordingly.

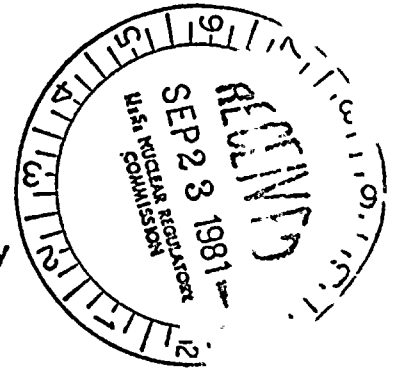

With regard to the circumstances which led to the damage to the individual containers, we noted that your response described actions that you had taken to preclude recurrence and we have no further questions at this time.

We appreciate your cooperation with us.

Sincerely,

JSI
