SUBJECT: STATISTICS ON ALLEGATIONS CONCERNING ST. LUCIE AND TURKEY POINT

Dear Mr. Plunkett:

This letter is in response to a request from Mr. Leckey of your staff for statistics on allegations concerning the St. Lucie and Turkey Point nuclear plants. During the months of August, September, and October, the NRC received nine allegations concerning St. Lucie and four allegations concerning Turkey Point. All nine allegations concerning St. Lucie were submitted by licensee employees, while only two of those concerning Turkey Point were submitted by licensee employees. An anonymous source and an NRC employee submitted the others. None of the allegations involved claims of discrimination. Of the allegations received, one at each site was closed and neither was substantiated. The enclosed tables provide a comparison with the number of allegations received concerning other nuclear plants as of October 31, 1997.

If you have any questions concerning the data, please contact me. I can be reached at (301) 415-8529.

Sincerely, *ETB*
