Docket Nos. 50-335 and 50-389
Topical Quality Assurance Report (FPLTOAR 1-76A)

Pursuant to 10 CFR 50.54(a)(3), attached is the annual update of the Florida Power and Light Company (FPL) Topical Quality Assurance Report (TQAR).

Enclosure I includes a summary of the changes made to the TQAR since June 1997. Enclosure II contains a "red-lined" version of the TQAR showing all changes that have been made since the last annual submittal. Enclosure III is the current TQAR including all revisions issued through Revision 56 dated March 18, 1998.

All changes have been reviewed by the FPL Nuclear Assurance Department and it has been concluded that these changes do not reduce the commitments in our program description which have been previously accepted by the NRC. The enclosed information accurately presents changes made since the previous FPL annual TQAR submittal.

Should there be any questions, please contact us.

Very truly yours,

T. F. Plunkett
President
Nuclear Division
