Dear Ms. Semo:

As the Chief Information Officer at the U.S. Nuclear Regulatory Commission (NRC), I would like to assess the Freedom of Information Act (FOIA) program at the agency. Specifically, I would like your compliance team's assistance in improving our administration of FOIA by reviewing our program and providing us with a written report of the assessment results. I understand that your report, which is designed to help agencies solve their biggest challenges, will focus on recommendations for improvement as well as observed best practices.

If you have questions, please feel free to contact the NRC's FOIA Officer, Stephanie Blaney, at [Stephanie.Blaney@nrc.gov](mailto:Stephanie.Blaney@nrc.gov) or at 301-415-6975.

Sincerely,
