Dear Mr. Denton,

Before CP+L is issued their license, I feel that a full participation emergency exercise should be conducted. I realize that CP+L goes before your board on August 10th. The plan, as is, is inadequate, and we need to involve everyone to be sure that the new updated plan can + will work. I feel that this test should be held off until school is back in session, to fully put the plan to a realistic trial.

Please do not issue CP+L their license to operate Shearon Davis until this test has been carried out to demonstrate its effectiveness. Thank-you.

Sincerely,
Zella M. Kirk
Thomas R. Kirk
