SUMMARY AND ACTION REQUIRED (IF ANY)

I contacted Mr. Seile to inquire if DCS had received any material authorized on their NRC license. On January 3, 2017, we contacted the licensee and they confirmed that they had not yet received any material authorized under their license. Mr. Seile confirmed that since our January 3, 2017, contact, they had still not received any licensed material.

I also also reminded Mr. Seile that license condition number 13 requires that DCS notify the NRC at least 30 days prior to receiving material. Mr. Seile stated that they were aware of this requirement.

Mr. Seile is an authorized user listed on the license.
