Good Morning Ted,

All went well, I didn't find any violations and didn't have any recommendations as far as the inspection goes.

I just processed the renewal for Highfields HOA and it should be in the possession of our Section Chief for secondary review/signing off.

Thank you again for your assistance in planning last week's inspection, I greatly appreciate it!

Kindly,

Nate

Nate,

Just following up on your inspection of the Highfields HOA last week.  
Any issues or concerns? Will an inspection report be issued to Highfields?  
Can you tell me the status of the Highfields HOA license renewal?

Thank you and have a great week.

Ted

Nate,

Any time in the early afternoon should work. The crew needs to drain the vessels prior to work starting.

Thanks Ted,

What time would be best tomorrow to meet up? I can certainly work around your schedule if needed.

Nathaniel

The current media exchange schedule is that the WRT field crew will start taking the treatment system out of service on Wednesday and putting it back into operation on Friday. That said, it would be better if you were able to come out to Highfields later on the 7th or the 8th.

Please advise.

Ted
