OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Carolina Power and Light Company (EA 88-261)
(Shearon Harris)
Docket No. 50-400

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$25,000

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of Twenty-Five Thousand Dollars (\$25,000) will be issued on or about December 28, 1988 to Carolina Power and Light Company. This action is based on several examples of failure to provide vital area barriers. In this case, the base civil penalty was mitigated by 50 percent due to the licensee's prompt and extensive corrective actions, identification of the violation, and prior performance offset by a prior similar Severity Level III violation and the duration of the violation.

It should be noted that the licensee has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice	December 28, 1988
Telephone Notification of Licensee	December 28, 1988

The State of North Carolina will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
