Docket No. 50-400

LICENSEE: Carolina Power & Light Company

FACILITY: Shearon Harris, Unit 1

SUMMARY: SUMMARY OF DECEMBER 19, 1988 MEETING REGARDING LICENSING ACTIVITIES

A meeting was held with Carolina Power and Light Company, on December 19, 1988, in Rockville, Maryland. The purpose of the meeting was to discuss the status and schedule of licensing activities for Harris. Enclosure 1 is the list of attendees at the meeting. Enclosure 2 is a handout prepared and distributed by the licensee representing their tentative 18-month regulatory agenda for planning purposes. Enclosure 3 was an additional licensee handout of a working schedule for their 18-month regulatory agenda.

The licensee discussed the items planned on their regulatory agenda, their prioritization and how the scheduling of the respective items is being structured. Both agenda and schedule are planning documents and subject to modifications as conditions and priorities change. However, they provide a good basis for planning the future regulatory work load.
