Re: Shearon Harris Nuclear Power Plant,
Request for Commencement of Informal
Complaint Procedures Under
Section 5.3.2, NUREG-0970

Dear Dr. Murley:

This letter is submitted on behalf of Carolina Power & Light Company. On May 5, 1989 North Carolina Eastern Municipal Power Agency (Power Agency) submitted a request for commencement of informal complaint procedures. In the event there are any meetings between the NRC staff and the complainant, CP&L desires to attend all such meetings. Therefore, please advise me of the time and place of any such meetings. We will be submitting a written response to Power Agency's letter in the near future.

Thank you.

Sincerely,

George A. Avery
