Jim,

Please find attached the corrected spreadsheet for LSA 08-10, as discussed during the December 21, 2017 conference call.

The spreadsheet was submitted to Document Control as an electronic file on a CD. It was not submitted as a pdf.

Thanks,

Ken

Subject: Corrected LSA 08-10 spreadsheet

Please find the corrected LSA 08-10 spreadsheet attached. On the last Public NRC teleconference, we discussed with Headquarters that we identified two minor typographical errors in the LSA 08-10

spreadsheets that were previously submitted. These typographical errors do not affect the information provided in the report for LSA 08-10, and do not change the final reported dose in any way.

Please let me know if there are any questions, thank you.
