

July 17, 1992

Docket No. 50-400

Mr. R. A. Watson
Senior Vice President
Nuclear Generation
Carolina Power & Light Company
Post Office Box 1551
Raleigh, North Carolina 27602

Dear Mr. Watson:

SUBJECT: CORRECTION LETTER FOR JUNE 30, 1992 LETTER - SHEARON HARRIS NUCLEAR
POWER PLANT, UNIT 1 (TAC NO. 81447)

On June 30, 1992, the NRC issued a letter on Generic Letter (GL) 91-06,
Generic Issue A-30, "Adequacy of Safety-Related DC Power Supplies." In the
body of the letter, we inadvertently referred to the Brunswick Steam Electric
Plant, Units 1 and 2. We are reissuing the letter as it should have been
issued. The corrected letter is enclosed.

We regret any inconvenience this may have caused you.

Sincerely,

Original signed by:

Ngoc B. Le, Project Manager
Project Directorate II-1
Division of Reactor Projects I/II
Office of Nuclear Reactor Regulation

Enclosure:
Corrected Letter

cc: Service List

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. This includes not only sales and purchases but also the various expenses incurred in the course of business. It is essential to ensure that every receipt is properly filed and that the books are kept up to date.

2. The second part of the document deals with the issue of inventory control. It is important to have a system in place that allows you to track the amount of stock on hand at all times. This will help you to avoid overstocking or understocking, both of which can be costly.

3. The third part of the document covers the topic of budgeting. It is important to have a budget in place that allows you to track your spending and to identify areas where you can save money. This will help you to ensure that you are always on top of your financial situation.

4. The fourth part of the document discusses the importance of having a good understanding of your market. This includes knowing who your competitors are and what they are doing. It also includes knowing what your customers want and how to best serve them.

5. The fifth part of the document covers the topic of marketing. It is important to have a marketing plan in place that allows you to reach your target audience and to generate leads. This can be done through a variety of methods, including advertising, public relations, and direct mail.

6. The sixth part of the document deals with the issue of customer service. It is important to have a system in place that allows you to respond to customer inquiries quickly and effectively. This will help you to build a loyal customer base and to increase your sales.

7. The seventh part of the document covers the topic of financial planning. It is important to have a plan in place that allows you to track your income and expenses and to identify areas where you can save money. This will help you to ensure that you are always on top of your financial situation.

8. The eighth part of the document discusses the importance of having a good understanding of your industry. This includes knowing what the latest trends are and how they might affect your business. It also includes knowing what your competitors are doing and how to best compete with them.

9. The ninth part of the document covers the topic of risk management. It is important to have a plan in place that allows you to identify and mitigate risks. This can be done through a variety of methods, including insurance, hedging, and diversification.

10. The tenth part of the document deals with the issue of succession planning. It is important to have a plan in place that allows you to ensure that your business will continue to operate smoothly even if you are unable to do so. This can be done through a variety of methods, including selling the business, passing it on to a family member, or hiring a successor.
