Eric,

I discussed with you last week about getting a copy of the inspection report to you with all the locations I inspected during my time at Saint Alphonsus. Attached is the report, showing the clear inspection that took place from December 18-19, 2017. This report requires no action to be taken on your part, but I would appreciate a quick reply acknowledging receipt of this email and its attachment.

Please keep a copy of this report for your records, and if you have any questions or concerns about the inspection or otherwise, please do not hesitate to contact me.
