Notification of Change in Executive Management

The University of Connecticut has implemented a change in executive management and appointed a new Vice President for Research, Radenka Maric.

Enclosed, please find the updated organizational chart from Item 7 of the license showing this change in the Vice President for Research. The reporting structure for the radiation safety program and the executive management representative for the license remain unchanged.

Please let us know if you require additional information.

Sincerely,

Wesley G. Byerly  
Associate Vice President for Research  
Integrity & Regulatory Affairs
