New Hill, NC 27562-0165

SUBJECT: REQUEST FOR PRIOR APPROVAL OF PROPOSED REVISION 27 TO EMERGENCY PLAN
FOR HARRIS NUCLEAR PLANT

Dear Mr. Robinson:

By letter dated April 8, 1996, you requested NRC approval of proposed changes to your Emergency Plan prior to implementation. We have reviewed your submittal, which included specific proposed modifications to the emergency response organization (ERO) staffing as delineated in Table 2.2-1 of the Plan and a detailed justification of the proposed changes.

Our determination is that the proposed Revision 27 will not reduce the overall effectiveness of your Emergency Plan, and that your Plan as modified by this proposal, will continue to meet the requirements of 10 CFR 50.47(b), Appendix E to 10 CFR Part 50 and the applicable guidance in NUREG-0654. Under your proposed revision, although the minimum staffing requirements of your ERO would be slightly reduced, ERO personnel levels would continue to exceed the guidance criteria specified in NUREG-0654.

Should you have any questions regarding this letter, please contact Mr. Jim Kreh of our staff on 404-331-2604.

Sincerely,

(Original signed by K. P. Barr)

Kenneth P. Barr, Chief
Plant Support Branch
Division of Reactor Safety
