SUBJECT: OCTOBER 1999 GENERIC FUNDAMENTALS EXAMINATION SECTION
SHEARON HARRIS NUCLEAR POWER PLANT

Dear Mr. Keef:

The NRC plans to administer the generic fundamentals examination (GFE) section of the written operator licensing examination on October 6, 1999.

To register personnel to take the GFE, an authorized representative of your facility must submit a letter to Mr. Luis A. Reyes, Regional Administrator, Region II, with a copy addressed as follows:

Chief, Operator Licensing, Human Performance, and Plant Support Branch
Mail Stop OWFN 9 D24
U. S. Nuclear Regulatory Commission
Washington, DC 20555

Your letter should identify the individuals who will take the examination, and it should certify that they are enrolled in a facility licensee-sponsored program leading to NRC operator or senior operator licensing and that they will have completed their fundamentals training by the date of the examination. The letter should also identify the personnel who will have access to the examinations before they are administered (e.g., proctors) and the address to which the examinations are to be sent. To allow the NRC to assign docket numbers, the letter should be received by both the NRC regional administrator and the Chief, Operator Licensing, Human Performance, and Plant Support Branch, 30 days before the examination date. A sample registration letter is enclosed.

If any other assistance is needed, please contact me at (404) 562-4638.

Sincerely,

(original signed by H. O. Christensen)
