In the Matter of  
Carolina Power and Light Company  
(Shearon Harris Nuclear Power Plant, Units 1, 2, 3 and 4)  
Docket Nos. 50-400, 50-401, 50-402, 50-403

Dear Chairman Smith:

Attached is a letter from Ms. Pamela S. Baggett requesting the sessions of the forthcoming hearing be held in the evening after 6:00 p.m. so the persons who work during the day could attend.

As you know, the Licensing Boards have held evening sessions to accommodate limited appearers and evening work sessions, the latter usually being dictated by schedule problems.

The Staff has no indication of interest in evening sessions except for Ms. Baggett's letter and at this time has no recommendation regarding her suggestion,

Sincerely,

Charles A. Barth  
Counsel for NRC Staff
