Dear Sir or Madam:

Franciscan Alliance, Inc. d/b/a Franciscan Health Dyer and Hammond would like to amend its Byproduct Materials License, Number 13-02047-02, to add Ioannis Xenidis, D.O., as an Authorized User of 35.100 and 35.200 materials use. Dr. Xenidis is currently listed on the license of CardioSpecialists Group, Ltd. (NRC license number 13-32400-01) for these materials use types. Additionally, we would like to remove the following authorized users from our license, as they are no longer working at our facilities:

Robert Litchfield, D.O.
Mohamad S. Martini, M.D.
Sorin Lazar, M.D.
Proddutur R. Reddy, M.D.
Joaquin B. Gonzalez, M.D.

A previous request was made to remove Michael B. White as an Authorized Medical Physicist; however, we have not received confirmation that he was removed. Please ensure that he has been removed from the license. He is no longer employed at this location.

If there are any questions concerning this license amendment, please contact our nuclear medicine physicist, Mr. Bryce A. Caudle, by email at bcaudle@mpcphysics.com, or by phone at 317-443-9035.

Sincerely,

Michael C. Brewer, M.S.
