SUBJECT: NRC INTEGRATED INSPECTION REPORT 50-400/99-05

Dear Mr. Scarola:

On August 28, 1999, the NRC completed an inspection at your Shearon Harris facility. The enclosed report presents the results of that inspection. The results of the inspection were discussed with you and other members of your staff on September 2, 1999.

The inspection was an examination of activities conducted under your license as they relate to safety and compliance with the Commission's rules and regulations and with the conditions of your license. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations of activities, and interviews with personnel. Specifically the inspection covered periodic resident inspections and a scheduled public radiation safety inspection.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be placed in the NRC Public Document Room (PDR).

Sincerely,

(Original signed by B. R. Bonser)
