Dear Mr. Jones:

Subject: Agenda for Meeting on Instrumentation and Control Systems -  
Shearon Harris

We have scheduled a meeting at the Shearon Harris site during the week of August 16, 1982 to discuss the review of the instrumentation and control systems for Shearon Harris. The agenda for the meeting is enclosed. As discussed with Mr. Steve Cashell of your staff, at the meeting, we plan to cover the NSSS scope and those portions of the BOP scope that can be completed then. A follow up meeting will be scheduled later at Ebasco's offices in New York City to complete the BOP scope.

If you have any questions regarding the meeting or the agenda, please contact E. A. Licitra (301/492-7200).

Sincerely,
