License No.: 45-25416-01

Docket No: 03034591

Control No: 601929

Mr. Dorgham,

This refers to your request to renew your license dated November 27, 2017. In order to continue our review of your request, the following additional information is needed:

1. Due to changes in licensing format, the NRC will need further clarification in the number and model numbers of the portable gauges that you either possess or would like to possess under your license.
 - a. Please state in writing how many Troxler Model 3400 Series and 4640 portable gauges that you possess or would like to possess under your license.
 - b. Please state in writing how many of your Troxler Model 3400 Series portable gauges contain Cf-252.
2. In item 8 of your application it states that "Each individual operates the nuclear gauge will complete the nuclear gauge training course and test which comply with the NRC requirements. Please provide either of the following:

the statement: "Before using licensed materials, authorized users will have successfully completed one of the training courses described under "Criteria" in the section titled "Training for Individuals Working in or Frequenting Restricted Areas" in NUREG-1556, Volume 1 Revision 2, 'Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Portable Gauge Licenses'"

or

a description of the training for proposed authorized users.

You may reference NRC's NUREG-1556, Volume 1 Revision 2, "Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Portable Gauge Licenses" at the following link:
