Dear Sir:

There is far too many distribution(s) of document(s) to this office of Radiation Protection in North Carolina.

The attached example which was pulled from your most recent transmittal is enclosed with notations for adjustment of numbers received in this State.

I have not adjusted the first two pages since it appears you are addressing to those in North Carolina at addresses shown. There are 9 listed those two pages with N.C. so continue those as addressed.

However, the -3- page appears to list far too many since that office sends all sets to us. Please REMOVE TEN and replace with ONE (1).

Thank you.

Sincerely

Radiation Protection Section
