ENCLOSURE

Staff Question on Amendment 11 to the Shearon  
Harris FSAR Concerning Concrete Curing  
(Appendix A to Section 3 of the FSAR)

1. The amendment states that there has been engineering data available to justify the alternative requirements for concrete curing. Please provide such data.
2. The amendment provides minimum temperature and moisture requirements for the first three days out of seven day curing. Provide the requirements for the fourth through seventh day. If there is no requirement during these days, provide justification.
