Mr. Harold Denton  
Director  
Nuclear Reactor Regulations  
USNRC  
Washington, D.C. 20555

Dear Mr. Denton:

There is growing concern in the Piedmont area of North Carolina about the Shearon Harris nuclear power plant. CP&L's past safety record is reason enough to justify this concern. I'm writing to urge you not to exempt CP&L from the full scale emergency practice plan. Any consideration that you can give to the rapidly increasing numbers of people concerned about Shearon Harris would be appreciated.

Thank you very much.

Sincerely,

*Joyce Brown*
