1. The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is facing a serious financial crisis. The report also mentions that the population is suffering from widespread poverty and unemployment.

2. The second part of the report discusses the political situation. It is noted that the government is weak and that there is a lack of unity among the political parties. The report also mentions that the military is becoming increasingly influential in the country.

3. The third part of the report deals with the social situation. It is noted that there is a high level of illiteracy and that the health care system is in a state of collapse. The report also mentions that there is a widespread sense of hopelessness and despair among the population.

4. The fourth part of the report discusses the international situation. It is noted that the country is isolated and that it is being treated as a pariah state. The report also mentions that the country is being threatened by external forces.

5. The fifth part of the report deals with the economic situation. It is noted that the country is suffering from a severe shortage of foreign exchange and that the government is unable to meet its external obligations. The report also mentions that the economy is being driven into a deeper depression.

6. The sixth part of the report discusses the military situation. It is noted that the military is becoming increasingly professional and that it is becoming a more important force in the country. The report also mentions that there is a growing concern about the military's role in the country's future.

7. The seventh part of the report deals with the cultural situation. It is noted that there is a growing interest in the country's history and culture. The report also mentions that there is a growing sense of national identity and pride among the population.

8. The eighth part of the report discusses the future of the country. It is noted that the country is facing a difficult future and that there is a need for a new political system. The report also mentions that there is a growing demand for reform and change.

Dear Mr. Denton:

We are pleased that you denied "backfit status" for two design changes to Shearon Harris. We are hoping that you will require CP&L to meet the specific NRC regulations in full. We also hope that you are fully investigating the substance of our concerns in the Petition to Intervene and the Motion to Stay the Immediate Effectiveness of the NRC's Licensing Board's Final Decision on Shearon Harris.

Sincerely, *Richard H Swank*

Sir, S H is a risk we don't need to take.
