Dear Mr. Bobo:

Thank you for your letter of June 16, 1986 and the accompanying resolution adopted by the Board of Commissioners of the North Carolina Eastern Municipal Power Agency on June 11, 1986. I very much appreciate your forwarding this document to me. It will, indeed, be taken into account in further considerations given to the licensing of the Shearon Harris Plant and the importance of that plant to the citizens of your region of the State.

I am taking the liberty of sending a copy of this correspondence to the Nuclear Regulatory Commission and to Carolina Power & Light Company for their information.

Again, thank you for your interest in this matter. If I may ever be of assistance, please do not hesitate to contact me.

With best wishes, I am

Sincerely,

Joseph W. Dean

Dear Secretary Dean:

SUBJECT: Enclosed Resolution

Enclosed is a copy of a resolution adopted by the Board of Commissioners of the North Carolina Eastern Municipal Power Agency at a special meeting in Wilson, North Carolina on June 11, 1986. This resolution expresses the desire of the Board of Commissioners regarding the prompt licensing and operation of the Shearon Harris Nuclear Power Plant, and was adopted by unanimous vote.

The North Carolina Eastern Municipal Power Agency is a state-chartered municipal corporation that provides electricity to its thirty-two (32) member cities and towns in Eastern North Carolina. These municipalities, which operate their electricity distribution systems, are: Apex, Ayden, Belhaven, Benson, Clayton, Edenton, Elizabeth City, Farmville, Fremont, Greenville, Hamilton, Hertford, Hobgood, Hookerton, Kinston, La Grange, Laurinburg, Louisburg, Lumberton, New Bern, Pikeville, Red Springs, Robersonville, Rocky Mount, Scotland Neck, Selma, Smithfield, Southport, Tarboro, Wake Forest, Washington and Wilson.

Our hope is that you will review this resolution in its entirety and will take it into account in any further consideration you may give to the Shearon Harris Plant and its importance to the citizens of our region and state.

Thank you for your interest in this matter.

Sincerely,

James J. Bobo

RESOLUTION

WHEREAS, the North Carolina Eastern Municipal Power Agency owns 16.17% of the Shearon Harris Nuclear Power Plant and is the power supplier for 32 cities and towns located in Eastern North Carolina having a combined population of approximately 278,000, and

WHEREAS, the availability of an adequate supply of electricity is essential to create jobs, promote business development, and ensure the prosperity of the people of North Carolina, and

WHEREAS, the Harris Plant will provide additional electricity to meet these needs of Eastern North Carolina now and in the future, and

WHEREAS, construction of the Harris Plant has been closely reviewed by federal and state regulatory agencies, and those agencies will continue to monitor its operation closely to ensure the safety of the public, and

WHEREAS, the Power Agency has confidence in the regulatory process and Carolina Power & Light Company's ability to operate the Harris Plant in a manner that will protect the health, safety and well being of the people of the State of North Carolina, and

WHEREAS, any delay in the licensing and operation of the Harris Plant will result in substantial additional costs and will represent an unnecessary expense to the people of North Carolina and customers of the Cities and Towns who are members of the Power Agency.

BE IT RESOLVED THAT, the North Carolina Eastern Municipal Power Agency supports the prompt licensing and operation of the Harris Plant.
