Docket Nos. 50-387  
and 50-388

Dear Mr. Regan:

In our March 31, 1976 letter to you, we identified our schedule for establishing the option by which we would submit information to you to determine Appendix I compliance. Due to unexpected data reduction problems, we must revise the scheduled submittal to September, 1976. This new schedule was discussed in a phone conversation between Mr. Singh Bajwa (NRC) and Mr. W. E. Barberich (PP&L).

Very truly yours,

*N. W. Curtis*
