Dear Mr. Regan:

Pennsylvania Power & Light Co. is submitting, under separate cover, Amendment No. 5 to the Susquehanna Steam Electric Station Environmental Report. This amendment deletes the Susquehanna-Frackville 500 KV transmission line and describes two new 500 KV transmission lines. These new lines are the Sunbury-Susquehanna Line and the Susquehanna-Siegfried Line. Construction on the Sunbury-Susquehanna Line and the Susquehanna-Siegfried Line is scheduled to start in June, 1977 and January, 1977, respectively.

Very truly yours,

N. W. Curtis
Vice President-Engineering & Construction
