Subject: Amendment Not Needed

Discussion: I discussed with Mr. Goldberg that an amendment was not needed as we don't specifically list alternate RSO's on the license and so an amendment was not necessary. I asked if he should be listed as the management contact as it appeared from his title that Mr. Hart had left. He said that Mr. Hart was on temporary assignment and we should not reassign the management contact as he is expected back. I informed him that we would send a letter to complete the action but not amend the license.

Action Required: Write letter to close action.
