Vickie –

We have received your letter dated January 22, 2018 containing the 2018 financial assurance update for the North Butte remote satellite to the Smith Ranch Highland facility. The estimate seeks to update the financial assurance amount to \$22,526,000. The financial assurance update is currently in the process of being added to ADAMS. The staff has initiated its acceptance review of the document; which is anticipated to take 30 days to complete.
