Docket Nos. 50-387  
50-388

Dear Mr. Parr:

PP&L is planning to sell a 10% undivided ownership interest in Susquehanna Steam Electric Station (SSES) to Allegheny Electric Cooperative (AE). The target date for the closing of this sale is February 28, 1977. At that time we will amend our application with the NRC to include AE as an owner of SSES. PP&L is retaining complete responsibility for design, construction and operation of SSES.

We request that you inform us of any information requirements you may have regarding the proposed sale and license amendment.

Very truly yours,

*NW Curtis*
