Dear Dr. Butler:

Pennsylvania Power & Light Company has recently reorganized the Susquehanna SES Project organization. Due to this reorganization, the responsibilities of the Project Manager-Susquehanna have been broadened to include the coordination and integration of the functions with respect to Susquehanna SES of all departments such as Engineering, Power Production and Construction.

Mr. Robert J. Shovlin has been appointed Project Manager-Susquehanna and Mr. Earle M. Mead has been appointed Project Engineering Manager.

Attached is a chart showing the new Susquehanna SES Project Organization.

These changes will be included in a future PSAR amendment.

Very truly yours,
