Apologies – This is my mistake. I was confused with RAI 9262 that we retracted on the Drum Drier. Please delete my last email.

Greg – Please retract this RAI on the Drum Drier. I believe that we decided to not ask it.

Also, please hold from sending all other RAIs until next week.

Thanks!

Attached please find NRC staff's request for additional information concerning review of the NuScale Design Certification Application.

Please submit your technically correct and complete response within 60 days of the date of this RAI to the NRC Document Control Desk.

If you have any questions, please contact me.

Thank you.
