Re: Our License No: 21-32044-01
Docket Number: 030-34588

Dear Madam or Sir:

This letter is our request to you to renew our special license for another five years. Our current license expires July 31, 2018. I am also requesting two change be made to the license.

1. In section 11, my first name as the Radiation Safety Officer (RSO) for this license is misspelled. It should be spelled **Frederick Hommel** not Fredrick Hommel.
2. In section 12, It states that the Licensed material shall only be used by, or under the supervision of, Fredrick Hommel, Sharon Regan-Brown, John Yell or Jim Klooster. I am requesting to correct the spelling of my name to **Frederick Hommel**. I am also requesting the removal of Sharon Regan-Brown name from this list as she has retired and is no longer employed at our company and replace it with **Claudio Urrutia**.

If you have any questions, please contact me. Thank you very much.

Sincerely,

Frederick Hommel
