Dear Mr. Denton:

In the Matter of the) Docket Nos. 50-259
Tennessee Valley Authority)

By my letter to you dated November 2, 1983, we committed to provide comments on the Interim Reliability Evaluation Program (IREP) for Browns Ferry Nuclear Plant unit 1 by May 31, 1984. From the detailed review performed to date, it has become apparent that our comments will be extensive. Our review will, therefore, not be completed as previously scheduled. We currently project that our comments on the Browns Ferry unit 1 IREP will be submitted by August 31, 1984.

If you have any questions, please get in touch with us through the Browns Ferry Project Manager.

Very truly yours,
