Docket Nos. 50-387  
50-388

Dear Mr. Eisenhut:

Attached is a copy of a study of evacuation times performed by Vorhees Associates for the EPZ of 10 miles around the Susquehanna plant. We believe this information will satisfy your July 2 request. The estimates were not made using the sector arrangement described in your letter, however, because the county emergency plans for the vicinity of the plant are not organized on that basis.

Very truly yours,

N. W. Curtis
