Docket Nos. 50-387
and 50-388

PLA-3573, dated April 29, 1991 was provided to respond to weaknesses listed in Appendix 2 to Inspection Report Nos. 50-387/90-81 and 50-388/90-81, the Susquehanna SES Special Maintenance Team inspection. In our response to Section 5.9, Pages 53 and 54, we committed to having our I&C group develop a Writer's Guide to standardize procedure writing by the end of the second quarter of 1991 and to the development of an I&C Planning Guideline for issuance during September, 1991. The schedule for completion of these items has been revised.

The estimated completion date for the I&C Planning Guideline and the I&C Procedure Writer's Guide is December 31, 1991.

If you have any questions, please contact Mr. W.W. Williams at (215)774-7910.

Very truly yours,

H. W. Keiser
