TO: Mr. Donald E. Sells, Acting Branch Chief
FROM: Alan B. McCracken, A-95 Coordinator
DATE: May 21, 1980
SUBJECT: Areawide Clearinghouse Review of the Draft Supplement to the Draft Environmental Statement related to the operation of the Susquehanna Steam Electric Station, units one and two prepared by the U.S. Nuclear Regulatory Commission.

RE: 80-0408

SEDA-Council of Governments has completed its review of the above referenced proposal according to Federal Circular A-95 Review Guidelines. Information concerning your application has been forwarded to local municipalities and other organizations who may be interested in making comments or recommendations concerning the proposed project. Comments concerning the project returned to SEDA-COG by municipalities or agencies, if any, are attached to this letter.

The project does not appear to conflict with known local and regional plans and programs. We know of no objections to the use of federal funds for this project. Therefore, this letter certifies that you have fulfilled your responsibilities to the Areawide Clearinghouse under Federal Circular A-95 and may proceed with federal applications submission requirements.

Thank you for the opportunity to review your project. Please contact me if you have any questions concerning our review of your project.
