Dear Mr. Schwencer:

This letter provides a response to generic letter 81-32. PP&L has reviewed the BWR Owners' Group position in item II.K.3.44 of NUREG 0737. Our review shows that the assumptions and initial conditions used in the development of this position are representative of both units of the Susquehanna SES. Therefore no additional action is needed in response to your letter.

Very truly yours,

N. W. Curtis
Vice President-Engineering & Construction-Nuclear
