50-388

SUSQUEHANNA STEAM ELECTRIC STATION
UPDATE OF HERBICIDE USAGE 2, 4, 5-T
ER 100450 FILE 991-2
PLA-360

Dear Mr. Regan:

Since March 1, 1979 with the emergency suspension by the U.S. Environmental Protection Agency (EPA) of 2,4,5-T the Pennsylvania Power & Light Co. (PP&L) no longer uses this herbicide along transmission lines, right-of-ways or for any other reason. PP&L now uses the following EPA approved herbicides:

Weedone 170
Banvel 520
Krenite

Use of these three herbicides is dependent on the particular application.

Very truly yours,

N. W. Curtis
Vice President-Engineering & Construction
