Secretary of the Commission
Nuclear Regulatory Commission
Washington, D.C. 20555

Attention: Docketing and Service Branch

I am writing to inform you that I wish to state my views concerning the application for operation of the Pennsylvania Power and Light Company's nuclear power plant being constructed at Bell Bend, PA, and would, therefore, wish to make a limited appearance in the proceeding.

Please, therefore, send me copies of orders setting the time and place of conferences and the hearing at which limited appearance statements will be received by the board.

Sincerely yours,

Florence L. Thompson
