BROWNS FERRY NUCLEAR PLANT (BFN) - OBJECTIVES FOR THE 1987 RADIOLOGICAL
EMERGENCY PLAN (REP) EXERCISE

This letter is to provide notification that a separate letter has been sent to the NRC, Region II, Chief, Emergency Preparedness Section, supplying them with TVA's objectives for the 1987 BFN REP exercise. A separate letter was sent in order to protect the objectives from disclosure to participants of the exercise. These objectives were supplied per your October 11, 1984 request from R. C. Lewis to H. G. Parris asking for utility submittal of REP exercise objectives seventy-five days prior to the exercise date. The BFN exercise is currently scheduled the week of November 2, 1987.

If there are any questions or comments please telephone W. M. Belvin at (615) 751-2693.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
