Dear Mr. Partlow:

In the Matter of)
Tennessee Valley Authority

Docket No. 50-260

BROWNS FERRY NUCLEAR PLANT (BFN) UNIT 2 - MANAGEMENT SELF-ASSESSMENT (MSA) OF
READINESS FOR RESTART

Reference: My letter to you dated August 24, 1988, same subject.

The referenced letter identified to you my decision to conduct a management self-assessment of readiness for BFN unit 2 restart. Page 11 of the MSA Program Plan provided to you by the referenced letter indicated that an initial meeting of the Senior Management Assessment of Readiness Team would be held in late August 1988. Subsequent to the August 24, 1988 submittal, I have decided to reschedule this initial meeting to more closely coincide with the commencement of unit 2 fuel loading activities. You will be advised when the meeting has been rescheduled.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
