Dear Mr. White:

SUBJECT: BROWNS FERRY UNIT 2 RESTART - SUBMITTALS NEEDED FROM TVA

Enclosed is a list of the submittals the staff needs from TVA to support NRC decisions regarding Unit 2 restart. Any slippage in the target dates listed could adversely impact our review schedule. These dates have been agreed to by OSP and your staff.

Our reviews may identify the need for additional information to resolve the technical issues if your submittals are incomplete. We will notify you promptly of these instances as they arise.

The reporting and/or recordkeeping requirements contained in this letter affect fewer than ten respondents; therefore, OMB clearance is not required.

Sincerely,
